

TASTE THE FUTURE

Suriyanti

CEO and founder, Berkah Untia
Indonesia

CEO and founder within the bakery
and catering business.

Suriyanti, CEO and founder of the culinary company Berkah Untia, is planning for major growth and investments in the coming fiscal year.

The bakery and catering-focused company is planning to more than triple the amount of employees, putting more money into promotion and in this way reach new markets. The company which started out as a B2C enterprise has broadened its offer and is now also supplying large companies and corporations with catered food and cakes.
